

# PARTNER WITH US

# NXT AP

**Reliable and recurring revenue from every AP transaction, forever**

**Upgrade your customers' existing AP automation with Azure AI-services (Computer Vision & GPT), ensuring real-time processing**

**Stay focused on SAP processes while embedding cutting-edge AI technology.**

**Certified by SAP (ECC & S/4HANA) and endorsed by Microsoft**

## Embedding Azure AI services in SAP

- PDF invoices from > 45 markets
- e-Invoices from > 30 national networks
  - 100% auto-parking
  - > 60% STP for PO-based invoices
- Exception handling (SAP GUI & FIORI)
- 100% support of all SAP posting scenarios
  - Comprehensive Analytics (FIORI)
  - Supplier self-service

## Partner benefits

- Modular design incl. adapters for OpenText VIM\*, Serrala/Dolphin\*, xSuite\*, SER\*, etc.
  - 24/5 hotline support (English)
- Reference installations in APAC and Europe
- Product roadmap incl. S/4 HANA Public Cloud
  - Project protection
  - No upfront investment
- Sales & implementation support
  - S/4 HANA demo-environment
- Documentation (English/German)
